

Lesson 2- Summarise what has happened so far.

Write a short paragraph to summarise what has happened so far in the story. Think about where the story is set, who the characters are, what the problem/dilemma is in the story.

Cinnamon is a story about... So far in the story... This book is about... So far in the book...

Think of 10 words to summarise the story so far. This could be words that come to mind when you listen or think of the story, words linked to the story or words that are taken directly from the story so far. Below are my 10 words. Can you think why you have chosen your words? Can you think why I may have chosen some of my words?

frustrated	India	frightening	lonely	worried
pain/fear	tiger	mountains/jungle	interesting	parrot
