

Weekly Learning Overview		
Subject	In school learning	Remote learning
Literacy/ Communication	<ul style="list-style-type: none"> Reading the book A Squash and a Squeeze-Retelling the story and acting out using props. Recalling the characters and plot 	<ul style="list-style-type: none"> https://www.youtube.com/watch?v=PkdX73Onf04 Watch A Squash and a Squeeze. After watching what can you remember-the characters, what happened. Ask an adult to write down what you can remember. Can you retell the story using different animals to visit the house-make your own mini book Read your favourite book with a grown up Play a vocabulary game-explore your house and find something rough, smooth, prickly, soft, spiky, squishy, shiny, Play a splat game-ask an adult to write the letters t, i, m,p on lots of small pieces of paper. Your adult can say a sound-splat that sound with your hand or wooden spoon! Match the ones that are the same-practise saying them https://www.oxfordowl.co.uk/for-home/reading-owl/find-a-book/read-write-inc-phonics--1/phonics-pure-sounds-video That link will help with how to say the letter sounds
Maths	<ul style="list-style-type: none"> Matching, sorting and comparing amounts-sorting objects into groups and 	<ul style="list-style-type: none"> Here are some on line lessons that will be similar to the activities we do at school

	<p>comparing -which is the biggest or smallest group</p>	<ul style="list-style-type: none"> • https://classroom.thenational.academy/lessons/matching-objects-in-to-equal-sets-68rp2t/activities/1 • https://classroom.thenational.academy/lessons/matching-objects-in-to-unequal-sets-6muk6d/activities/1 • https://classroom.thenational.academy/lessons/comparing-sets-without-counting-cgvpac/activities/1 • Practise counting to 5 using the fingers on 1 hand. With an adult play a game-both put 1 hand behind your back, say "Ready Steady Go"both bring out that hand showing some fingers-who has the most fingers? Cnt to check-repeat • Play a comparing game-find as mamny of your shoes as you can and out them in a pile.Choose 1 person in your house and find all their shoes. Whose pile is biggest? Who has the most? The least? Count to check • Help your grown up to make a collection of about 20 small things-e.g. Conkers, buttons, coins, pieces of pasta. Put these objects in a bag or box. Take it in turns to take a handful-who has the most? Least? Check. • Can you write your name? How many letters does it have? Write the name of a friend-how
--	--	--

		many letters? Are there more or less? Write some more friends or family names.
Knowledge and Understanding	<ul style="list-style-type: none"> • Thinking about our houses-how many rooms, what our house looks like, what is in each room • Using the internet to find out facts about baby farm animals 	<ul style="list-style-type: none"> • Paint or draw a picture of your house or draw a house you'd like to stay in e.g. a castle, a house under the sea! • Use a cereal box to make a model of a house • Who lives in your house? Can you write their names? • Play a listening game-Think about the rooms in your house. Can you go on a treasure hunt? Ask an adult to hide something in one of the rooms and then give you clues to find it e.g. this room has taps in, the walls are white etc • Find out the baby names of all the animals that visit the house in A squash and a Squeeze-can you make a poster about this? • Find your house on Google maps-use the arrows to explore the streets and find things nearby • Use the internet to find photos of houses somewhere hot or cold-talk about how the houses are different?
Physical		<ul style="list-style-type: none"> • Throw a ball and catch it. How ,many times can you do this? Can you beat your score? • Make some playdough • https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/ • Use it to make different farm animals from the

		<p>story A Squash and a Squeeze</p> <ul style="list-style-type: none">• Help wash up after lunch-wash everything carefully with the brush
