

Spring 2 Homework

This half term's homework activities are centred around our overarching school theme of 'sustainability'. The tasks have been chosen to ensure they are relevant and fun. Children can bring in their work to show the class or take a photo if they wish.

We can show these photos as a class and share on our class webpage if you would like... ☺

The deadline for tasks is **Thursday 7th April**, however, children are welcome to bring in any completed tasks before then. We encourage children to try and complete 2/3 tasks of their choosing. Thank you for your support!

<p>Find <u>4</u> things around your house to recycle. Can you take a photo of yourself recycling? How do you recycle?</p>	<p>Using <u>5</u> different recyclable items, can you create a robot?... </p>	<p>Can you design a poster to promote recycling at home?</p>
<p>Can you go litter picking in your local area or park? Take photos to show the class.</p>	<p>Can you have a go at growing your own fruit or vegetables in your garden? </p>	<p>Can you make a homemade instrument using recyclable materials? </p>
