

Weekly Learning Overview
Reception Remote Learning W/B 23rd November

Subject	In school learning	Remote learning
Literacy/ Communication	<p>Reading the Man on the Moon-linked with making aliens with 4 legs/eyes/mouths etc</p> <p>Read Write Inc daily</p>	<p>https://www.youtube.com/watch?v=Rt5zQ1UO6rE</p> <ul style="list-style-type: none"> • This link will take you to a telling of The man on the moon, the book we will read in school this week • After reading the story-think of 10 things you would take with you if you want to the moon-draw and write about them, get a grown up to help with the writing • Say the word moon and see if you can hear what letter sound the word starts with-m-what else can you think of that starts with m-practice writing the letter m • This link will tell you the handwriting rhyme <p>https://www.ruthmiskin.com/media/uploads/downloads/handwriting_phrases_v2.pdf</p> <ul style="list-style-type: none"> • In the man on the moon book find the page that has the aliens on-pause the video. Have a look at the aliens-talk about how many eyes, legs,arms they have. This week we are thinking about the number 4 so have a go at drawing some 4 legged or eyes or mouth or handed etc aliens. Write the number 4 next to each one (Draw the door and the doorstep now you on the door step now we have a number 4)

		<ul style="list-style-type: none"> • When you look at books this week-turn to page 4, what's happening on that page? Think of 4 things that happen in the stories that you read. • This clip will take you to a word blending activity <p>https://www.youtube.com/watch?v=_ovFXpsWmS0</p> <ul style="list-style-type: none"> • After watching it you can choose words to write
Maths	Exploring number 4-the fourness of 4-the numeral 4, 4 sides shapes, number 4, 4 objects	<p>https://www.youtube.com/watch?v=Xket7YPSCYk</p> <p>This will show you the Number blocks episode about number 4 that we will watch in school</p> <ul style="list-style-type: none"> • These links will suggest an activities to try at home <p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/11/PDF-Light-and-Dark-Week-1-Session-1.pdf</p> <p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/11/PDF-Light-and-Dark-Week-1-Session-4.pdf</p> <ul style="list-style-type: none"> • Can you find any number 4's in your house? At 4 o'clock have a look at the hands on a clock-which numbers do they point to? • Create a front door from a cardboard box, cutting a slit for the letterbox. On the front door, display a large number 4. Provide the children with a postbag of envelopes with numbers on. Can they sort and deliver only the letters for number 4? • Watch this song about a

		<p>square</p> <p>https://www.youtube.com/watch?v=sBDG297o1jA</p> <ul style="list-style-type: none"> I will post a few activities about squares on Tapestry for you to try
Knowledge and Understanding/ Creative	Exploring space, astronauts, space rockets linked with Book read this week	<ul style="list-style-type: none"> Find a fork with 4 prongs and use this to print with paint Draw round 4 of your favourite toys/ fruits/plates/shoes-take the objects off mix the up and then match back with their outline Paint a space rocket on silver foil Watch this clip about astronauts <p>https://www.youtube.com/watch?v=eT1PtaRA7ZM</p> <ul style="list-style-type: none"> Talk about going into space and how there is no gravity so things float-watch these clips about eating in space <p>https://www.youtube.com/watch?v=AZx0RIV0wss</p> <p>https://www.youtube.com/watch?v=Say3pUblISA</p> <ul style="list-style-type: none"> Wrap up warm and go outside and look at the stars on evening Hubble is a space telescope that can take pictures-this link will take to a page where you can find out what Hubble was looking at on your birthday! <p>https://www.nasa.gov/content/goddard/what-did-hubble-see-on-your-birthday</p> <ul style="list-style-type: none"> This link will take you to a page where you and your family can imagine you are in space-lots of great

		<p>activities to try!</p> <p>https://www.jpl.nasa.gov/edu/learn/project/imagine-youre-an-astronaut/</p>
Physical	<p>Commando Joes</p> <p>Fine motor activities</p>	<ul style="list-style-type: none"> • Make a little activity session doing 4 of everything e.g. 4 jumps, press ups, hops, high fives, claps-how many can you do in 4 minutes? • Make an obstacle course https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/10/PDF-Its-me-1-2-3-Week-3-Session-5.pdf • Have a go at some space yoga to keep you busy https://www.youtube.com/watch?v=J89U-WZHFc0 • Squirt shaving foam onto silver foil in a tray and try making different patterns, letters, numbers • Pretend to move as if you are on the moon-Big slow steps
