

A conversation between Cinnamon and the tiger

Use speech punctuation to write a conversation between Cinnamon and the tiger. Think about what they might say to each other. Think about what Cinnamon might say after speaking for the first time. How might she feel?

You can either continue the conversation below or make your own conversation.

"Wow talking is so much fun!" Cinnamon exclaimed.

The tiger replied, "I am glad you enjoy it. What would you like to do now?"

Cinnamon paused thoughtfully before shouting, "I would like to go singing!"
