

Year 3 Remote Learning Timetable

Wb: Tuesday 5th January 2021

Please see below a timetable containing a selection of activities for your child to complete in order to fulfill your child's learning during this challenging time. Due to the response to the email sent last term about parents' access to online home learning, all activities and resources will be accessible online. This will include video lessons, physical activities and downloadable worksheets. I will be highlighting a certain area of the timetable each week to indicate which tasks I would like to be submitted to me via email, which I will use to assess your child. I will be available to respond to any queries you have about the work I have set, providing I am not working at school with key worker and vulnerable children. Thank you for your understanding.

This week, in English, we will be beginning a sequence of lessons based on the wordless book "Flotsam" by David Wiesner. We will be reading the book and making predictions and inferences based on the images in the text in addition to discussing its genre (fantasy). A video of the book, Flotsam, with a voice over, can be seen here - <https://www.youtube.com/watch?v=rxmSpQqKU00> (do not watch the video until after the prediction activity on Monday). Handwriting and spelling activities will continue to be posted on the class webpage on the school website.

	Reading	Writing	Maths	PE	Topic
Monday	<i>Training Day</i>	<i>Training Day</i>	<i>Training Day</i>	<i>Training Day</i>	<i>Training Day</i>
Tuesday	Children go to the beach and look for flotsam. Discuss the meaning of the word. If the title of the book is Flotsam, what might the book be about?	Children to write their prediction based on the discussion from the beach. Think about characters, setting and plot.	To subtract a 3-digit number from a 3-digit number (no exchange) https://whiterosemaths.com/homelearning/year-3/week-8-number-addition-subtraction/ (The accompanying worksheets for this activity have been uploaded to the class webpage on the school website).	Complete two activities from the list on the Youth Sport trust website below. https://www.youthsporttrust.org/60-second-physical-activity-challenges	Science – Forces and Magnets. A PowerPoint about magnetic poles and an accompanying worksheet has been uploaded to the class webpage on the school website.
Wednesday	A reading comprehension sheet, with accompanying questions has been	View the images in the YouTube video. Stop at 1 minute 17 seconds. What	To subtract a 3-digit number from a 3-digit number (exchanging)	Watch and join in with this 30 minute kickboxing/dance exercise	Geography - We will be beginning our topic of Rivers.

	<p>uploaded to the class webpage on the school website.</p> <p>Today children must answer questions 1 and 2.</p>	<p>do you think he has seen?</p> <p>After discussing, continue with the images seen by the child. Write down what you know from the image, what you think you know and what you would like to find out.</p>	<p>https://whiterosemaths.com/homelearning/year-3/week-8-number-addition-subtraction/</p> <p>(The accompanying worksheets for this activity have been uploaded to the class webpage on the school website).</p>	<p>video.</p> <p>https://www.youtube.com/watch?v=FcqYeThduVWk</p>	<p>We will be looking at the features of a river.</p> <p>A video explaining the features of a river is here -</p> <p>https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/z7w8pg8</p> <p>A worksheet labeling a river has been uploaded to the class webpage on the school website.</p>
Thursday	<p>Complete questions 3 and 4 on the New Year Reading comprehension sheet.</p>	<p>Children are to be shown a variety of books from home (ensure that some are realistic and some are fantasy novels). Can children order these books based on whether they are realistic or fantasy novels? Can children make a list of features a fantasy genre could have e.g. set in a magical setting?</p>	<p>To estimate answers to calculations.</p> <p>https://whiterosemaths.com/homelearning/year-3/week-8-number-addition-subtraction/</p> <p>(The accompanying worksheets for this activity have been uploaded to the class webpage on the school website).</p>	<p>Have a go at some Yoga from Cosmic Kids.</p> <p>https://www.youtube.com/watch?v=kRw6sCwN4U4</p>	<p>Art – Watch the clip of a famous painter being interviewed. What do you notice about his work? Can you replicate one of his paintings? What famous landmark, in the North East, would you paint?</p> <p>https://www.bbc.co.uk/bitesize/clips/zwfgkqt</p>

Friday	Complete questions 5, 6 and 7 on the reading comprehension sheet.	Read the full book. Can children then draw five significant events in time order? Can they write an accompanying sentence with each image?	<p>To check answers.</p> <p>https://whiterosemaths.com/homelearning/year-3/week-8-number-addition-subtraction/</p> <p>(The accompanying worksheets for this activity have been uploaded to the class webpage on the school website).</p>	<p>Fresh air Friday! Go for a run or a bike ride with a member of your household.</p>	<p>Music – Understanding pulse and rhythm.</p> <p>https://classroom.thenational.academy/lessons/understanding-pulse-and-rhythm-chj3cr?activity=video&step=1</p>
