

Spring 1 Homework

This half term's homework activities are centred around our geography theme of 'rivers/the Nile and the Egyptians'. The tasks have been chosen to ensure they are relevant, fun and allow the children to present their work in a format of their choosing.

Children can bring in their work to show the class or take a photo if they wish.

The deadline for tasks is **Friday 18th February**, however, children are welcome to bring in any completed tasks before then. We encourage children to try and complete approximately 5/6 tasks of their choosing. Thank you for your support!
