

**Weekly Learning Overview**  
**Reception Remote Learning w/b 5th July**

Subject	In school learning	Remote learning
<b>Literacy/ Communication</b>	<p>At school we are continuing to found out about mini beasts and reading stories linked with this.</p> <p>We will be reading  --The Very Lazy Ladybird  -The Quiet cricket  What the Ladybird heard  -Mad about MiniBeasts  -The very hungry spider</p> <p>Read Write Inc</p> <p>Learning our new word of the week-international</p>	<p>Click this link to choose a Mini Beast story to listen to</p> <p><a href="https://www.youtube.com/watch?v=h3ljX6lZe6s">https://www.youtube.com/watch?v=h3ljX6lZe6s</a></p> <p><a href="https://www.youtube.com/watch?v=Adyr1MpwXSq">https://www.youtube.com/watch?v=Adyr1MpwXSq</a></p> <p><a href="https://www.youtube.com/watch?v=YdiGEjz5b0Q">https://www.youtube.com/watch?v=YdiGEjz5b0Q</a></p> <p><a href="https://www.youtube.com/watch?v=XSbeEMfrkdw">https://www.youtube.com/watch?v=XSbeEMfrkdw</a></p> <p><a href="https://www.youtube.com/watch?v=I7aHXEsdfQ4">https://www.youtube.com/watch?v=I7aHXEsdfQ4</a></p> <p><a href="https://www.youtube.com/watch?v=YeNioRkm29w">https://www.youtube.com/watch?v=YeNioRkm29w</a></p> <p>This week we will be thinking about transition and moving into Year 1 after the summer holidays. Can you make an all about me sheet for your new teacher?</p>

## All About Me!

My name is \_\_\_\_\_

This is a picture of me:

Please help your child to complete this booklet for their new teacher. Talk about the questions and help your child to add their ideas, drawings and photographs.

Return to your class teacher by \_\_\_\_\_

This is my family:

This is my house:

		<div><div>These are a few of my favourite things</div><div><div><div>My favourite stories:</div><div></div></div><div><div>My favourite toys:</div><div></div></div></div><div><div><div>My favourite game:</div><div></div></div><div><div>My favourite animal:</div><div></div></div></div><div><div><div>My favourite colour:</div><div></div></div><div><div>My favourite food:</div><div></div></div></div><div><div>These are my friends at school. I like to work and play with them.</div><div><div><div></div><div></div></div><div></div></div><div><div><div></div><div></div></div><div></div></div><div><div><div></div><div></div></div><div></div></div></div><div><div>A special picture for my teacher.</div><div></div></div></div>
--	--	---

A special message for my teacher.

---

---

---

---

---

---

---

---

What are you most looking forward to in Year One?  
What are you excited about?  
Is there anything you are worried about?

---

Think about what you wish for in  
Year 1-what would you like to do,  
learn?

### My Wish for Year 1

Make a wish upon a star – what do you wish for in year 1?

What would you like to do when you are in year 1? What would you like to  
get even better at? What would you like to learn about? Draw a picture or  
write about your wish inside the star.

<b>Maths</b>	Activities around on the move-problem solving	<p>This link will take you to a week's worth of lessons-1 for each day-following the activities we will be doing at school this week. The activities have taught lessons and practical activities to follow.</p> <p><a href="https://whiterosemaths.com/homelearning/early-years/on-the-move-week-2/">https://whiterosemaths.com/homelearning/early-years/on-the-move-week-2/</a></p> <p>This link will take you to a website with lots of maths games that we use at school <a href="https://www.topmarks.co.uk/maths-games/5-7-years/counting">https://www.topmarks.co.uk/maths-games/5-7-years/counting</a></p>
<b>Knowledge and Understanding / Creative</b>	Thinking about summer and the insects in our garden	<p><b>Summer Home Learning Challenge</b></p>  <p>-try some spider web art</p>

		<div data-bbox="954 203 1385 1435"> <h3>Spiderweb Art</h3> <p><b>You will need:</b></p> <ul style="list-style-type: none"> <li>• paper</li> <li>• permanent black pen</li> <li>• ruler</li> <li>• watercolours or ready-mix paints</li> <li>• print-out of the spiderweb template (optional)</li> <li>• paintbrush</li> </ul>  <ol style="list-style-type: none"> <li>Take the piece of paper, lay it in the landscape position and fold it in half, bringing the bottom up to the top. Alternatively, use the Spiderweb Template and move to step six.</li> <li>Next, fold the sheet of paper in half, bringing the left-hand side over to the right-hand side.</li> <li>Unfold the last fold. Then, make two folds, folding diagonally into the middle fold line.</li> <li>Unfold the paper.</li> </ol>  <h3>Spiderweb Art</h3> <ol style="list-style-type: none"> <li>Using the permanent black pen and the ruler, draw neat straight lines over the top of each of the fold lines.</li> <li>Using the permanent black pen, draw curved lines starting from one of the straight lines to the next. Choose how close or far apart to draw your lines.</li> <li>Paint blocks of colours in each section of the spiderweb.</li> <li>Once dry, draw over every spiderweb line with the black pen.</li> </ol>  <p><b>Spiderweb facts:</b></p> <ul style="list-style-type: none"> <li>• Spiders make webs all year long but we often spot them in autumn as morning dew collects on them so they are easier to spot.</li> <li>• Spiders spin webs so that they can catch their food.</li> <li>• Spiders make webs but did you know that not all spiders make webs?</li> <li>• The silk that spiders make their webs from is stronger than silk.</li> <li>• All spiderwebs are different and no two webs look exactly the same.</li> </ul> </div>
<p><b>Physical</b></p>	<p>Commando Joes FUTSAL</p>	<p>Try some gross motor activities to keep you moving</p> <div data-bbox="962 1552 1390 1906"> <h3>Daily Activities</h3> <p>Each activity may be repeated up to 10 times.</p> <ol style="list-style-type: none"> <li>With arms at shoulder height to the sides, touch thumb with each finger in order, from index to little and back. Start with left hand, right hand and then both together.</li> <li>Arms outstretched in front at shoulder height, one hand open and palm down, one hand with clenched fists and alternate clenched to open palms. Repeat activity with eyes closed.</li> <li>Left arm outstretched to side at shoulder height, right arm across chest with hand touching shoulder. Alternate so that right arm is outstretched with left arm across chest and hand touching shoulder. Repeat each activity with eyes closed.</li> <li>Left arm outstretched in front of shoulder height with index finger of right hand touching nose and alternate activity. Repeat with eyes closed.</li> </ol> </div> <p>Can you make some Bee playdough and use it to make</p>

## Bees

### Bee Playdough Recipe

#### Ingredients

1 cup flour  
 $\frac{1}{2}$  cup salt  
 2 tbsp cream of tartar  
 1 tbsp oil  
 1 cup boiling water  
 Food colouring (yellow and black)  
 Black pipe cleaners  
 Googly eyes

#### Method

1. Mix together the flour, salt, cream of tartar and oil in a large mixing bowl.
2. Add 5-10 drops of yellow food colouring (depending on how dark you want the playdough) to 1 cup of boiling water.
3. Add the boiling water to the other ingredients in the large bowl.
4. Stir the mixture well until it is combined together.
5. Once you feel it has cooled enough, roll it out on a flat surface and knead together.
6. Repeat for the black playdough
7. Use the playdough, pipe cleaners, and googly eyes to make different sized and shaped bees.

Try going on a mini beast hunt in the garden

### Minibeast Hunt

Tick the minibeasts that you have found!

	spider	<input type="checkbox"/>		woodlouse	<input type="checkbox"/>
	slug	<input type="checkbox"/>		butterfly	<input type="checkbox"/>
	beetle	<input type="checkbox"/>		wasp	<input type="checkbox"/>
	crane fly (daddy-long-legs)	<input type="checkbox"/>		ladybird	<input type="checkbox"/>
	earwig	<input type="checkbox"/>		dragonfly	<input type="checkbox"/>
	snail	<input type="checkbox"/>		ant	<input type="checkbox"/>
	millipede	<input type="checkbox"/>		worm	<input type="checkbox"/>
	fly	<input type="checkbox"/>		caterpillar	<input type="checkbox"/>
	bee	<input type="checkbox"/>			

Try moving like a mini beast

		<div>Slide like a snail!</div> <div></div>	<div>Flutter like a butterfly!</div> <div></div>
		<div>Wriggle like a caterpillar!</div> <div></div>	<div>March like an Ant!</div> <div></div>
		<div>Dance like a bee!</div> <div></div>	<div>Spin like a spider!</div> <div></div>
		<div>Scuttle like a woodlouse!</div> <div></div>	<div>Zigzag like a millipede!</div> <div></div>
		<div>We will explore how spiders make their webs, try this activity</div>	

## Spider's Web Challenge

STEM Activity

### Method

Using only the resources provided, can children make a spider's web big enough for the plastic toy spider?

1. Show the children the pictures of the spider's webs and talk about the shapes they make.
2. Can they see the circular shapes as well as the long 'rays' that come out from the middle?
3. Show the children the resources that are on offer and explain they are going to use them to make a spider's web.
4. Show examples of how the string can be used to make the straight rays coming out from the centre but can also be shaped to make circular shapes.
5. Leave the children to see if they can make a web big enough for the plastic spider to fit on.

### You will need:

White string

Scissors

Black paper

Some pictures of spider webs from the Spiders and Webs Photo Pack

Plastic toy spider
