

If using this as a prompt for recording please use the title:

Thursday Place Value Lesson 8.

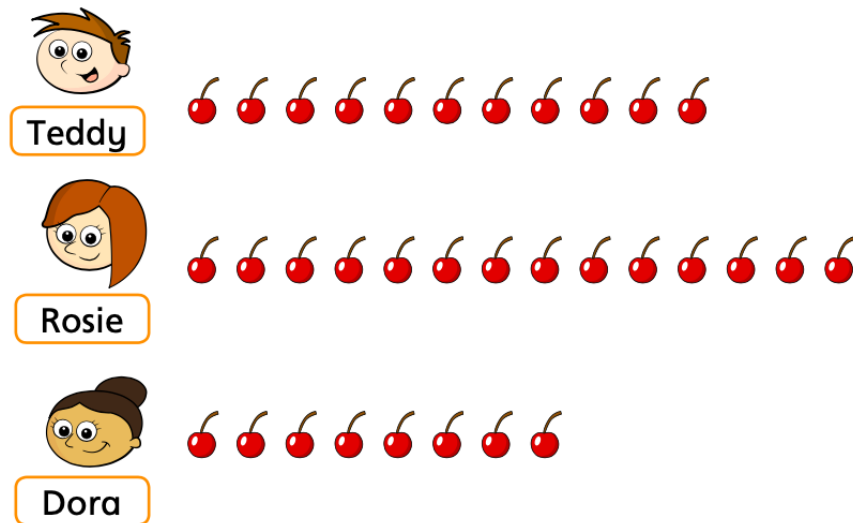

Write the question number followed by your answer. e.g. Q1a. Teddy 11

...

Where questions use numerals/numbers or number words please encourage your child to read them independently where possible.

1a. How many cherries does each child have?

Write their name and the number to show your answer.

1b. Who has the most cherries?

1c. Who has the least cherries?

1d. Whitney has more cherries than Dora, but fewer cherries than Teddy.

Draw Whitney's cherries.

2a. Ask an adult to draw the tens frames for you ten draw counters to show each number.

17

14

2b. Write the numbers in order.

Start with the smallest number and remember to leave a clear space between each number.

2c. Write the numbers in order.

Start with the greatest number and remember to leave a clear space between each number.
