Stay Safe Online

1. **Keep your personal information safe**

2. **Protect your password**

3. **Remember that not everyone online is who they say they are**

4. **Never agree to meet up with anyone you have met online**

5. **Never open emails from people that you don't know**

6. **Always ask permission to use the Internet and ask an adult which websites you can visit**

If you see anything on the internet that makes you feel uncomfortable, tell an adult that you trust.
