

Which Plant Parts Can We Eat?

You Will Need:

- Worksheets provided
- Pictures of fruits and vegetables, including parts of the plants that we eat like carrots, spinach, broccoli, capsicum, tomato and apples
- Glue sticks
- Scissors

Instructions:

Discuss with students the parts of plants that we eat. Show them pictures of these plants. Students can then cut and paste the pictures of fruits and vegetables into the correct boxes.

Parts of a Plant We Eat

Cut out the pictures and words below. Paste them in their correct plant part box.

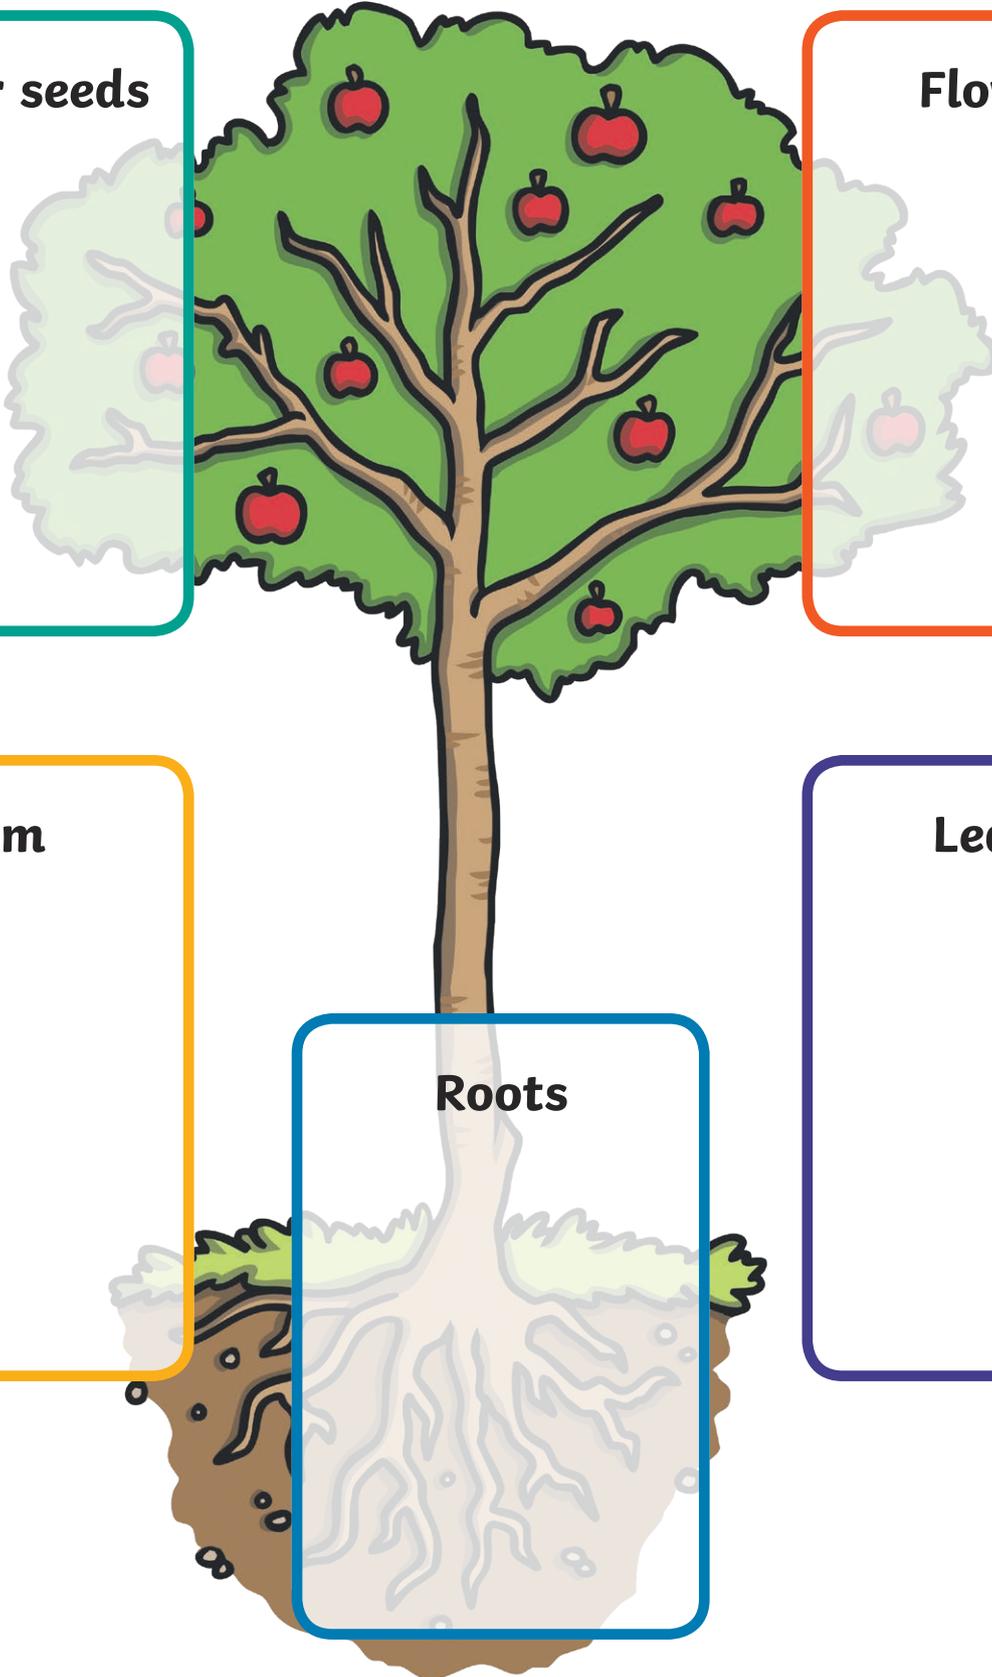

Fruit or seeds
