

Before you listen to the story, look at the front cover and write down any thoughts, questions, predictions or vocabulary about the book. Think about what the book might be about, where it is set, what might happen etc. Your predictions do not have to be correct.

I am wondering..

Perhaps...

I am noticing. ...

Maybe ...

I think that,.,

I wonder if..

I am thinking...

I want to know....

Can you use 'because' to give reasons for your statements?

I think that this book might be set in Asia, because I think that is where tigers are from.

I think that this book might be set in a jungle, because I can see lots of dense jungle on the front cover of the book.

Perhaps the tiger is special, because the girl is confident and calm near a dangerous tiger.
