

Year 3 Remote Learning Timetable

Wb: Monday 11th January 2021

Please see below a timetable containing a selection of activities for your child to complete in order to fulfill your child's learning during this challenging time. This week, I have included a range of video based activities, which will simply need a paper and pencil, some worksheets (**which do not need to be printed**) and some physical learning activities. Any activities highlighted must be submitted to my email address by the Friday of that week (a simple photograph will suffice). My email is matthew.milton@newhartley.northumberland.sch.uk. You can also send any home learning queries to my email also. Thank you for your support.

| Monday | <p>As we would have been learning about Rivers in Geography this half term, I have included a sequence of Reading lessons based on a non-fiction text called "Rushing Rivers". This lesson is about identifying features of a non fiction text.</p> <p>Watch the video and complete the questions when directed.</p> <p>You will need a pencil and paper.</p> | <p>This will be the beginning of a block of video lessons and activities based on a book about Angler Fish. This will end with your child completing a non-chronological report.</p> <p>The first lesson is about identifying features in a non-chronological report.</p> <p>It is a half hour video. You will only need a pencil and paper.</p> | <p>We will be beginning our topic of multiplication this week. We will begin by looking at equal groups (first video).</p> <p>https://whiterosemaths.com/homelearning/year-3/week-9-number-multiplication-division/</p> <p>I have created a prompt sheet with questions to complete, which is on the Year 3 web page on the school website.</p> | <p>Complete two activities from the list on the Youth Sport Trust website below.</p> <p>https://www.youthsporttrust.org/60-secondphysical-activitychallenges</p> | <p>Sustainability-water conservation</p> <p>Linked to our theme of sustainability, we will be looking at ways to reduce water waste.</p> <p>https://www.nwl.co.uk/help/saving-water/at-home</p> <p>Videos about water conservation</p> <p>https://www.youtube.com/watch?v=5J3cw4biWWo</p> |
