

I Recycle

(Sing to the tune of 'Frère Jacques'.)

I recycle, I recycle.

So should you, so should you.

Paper, glass and plastic, paper, glass and plastic,

Metal too, metal too!

Dropping litter, dropping litter,

Makes us sad, makes us sad.

It's not kind or helpful, it's not kind or helpful,

It is bad, it is bad!

We recycle, we recycle,

You can too, you can too.

Keep things clean and tidy, keep things clean and tidy,

Just like new, just like new!
