

Nursery Remote Learning W/B 7th December

In school we will be engaging in lots of Christmas related activities and the remote learning for the next 2 weeks will reflect this. This is to ensure that any children isolating at this time can enjoy similar activities to school. There will be links below this remote learning on the class webpage to Christmas activities for home. We will also use Tapestry as a way of linking with children at home where you can find songs we will be singing too :)

Here are some videos you can watch to find out more about Christmas and some Christmas stories you can watch
