

Art at New Hartley First School

Intent Statement:

At New Hartley first school we value art, craft and design as an important part of our children's entitlement to a broad and balanced curriculum. We want the children of New Hartley to love art, craft and design and have no limits to what their ambitions are. We want the children to grow up wanting to be illustrators, graphic designers, fashion designers, curators, architects and printmakers. We want to engage, inspire and challenge our pupils whilst equipping them with the knowledge and skills to be able to experiment, invent and create their own works of art. As the children progress through school we want them to understand the history of art, to use our local area to inspire their art and to learn from other cultures, respecting diversity.

Physical Development <ul style="list-style-type: none"> Use large-muscle movements to wave flags and streamers, paint and make marks. Choose the right resources to carry out their own plan. Use one-handed tools and equipment, for example, making snips in paper with scissors. Use a comfortable grip with good control when holding pens and pencils. Expressive Arts and Design <ul style="list-style-type: none"> Explore different materials freely, in order to develop their ideas about how to use them and what to make. Develop their own ideas and then decide which materials to use to express them. Join different materials and explore different textures. Create closed shapes with continuous lines, and begin to use these shapes to represent objects. Draw with increasing complexity and detail, such as representing a face with a circle and including details. Use drawing to represent ideas like movement or loud noises. Show different emotions in their drawings and paintings, like happiness, sadness, fear, etc. Explore colour and colour mixing. 	Physical Development <ul style="list-style-type: none"> Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor. Develop overall body-strength, balance, coordination and agility. Expressive Arts and Design <ul style="list-style-type: none"> Explore, use and refine a variety of artistic effects to express their ideas and feelings. Return to and build on their previous learning, refining ideas and developing their ability to represent them. Create collaboratively, sharing ideas, resources and skills. 	Physical Development Fine motor <ul style="list-style-type: none"> Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases. Use a range of small tools, including scissors, paintbrushes and cutlery. Begin to show accuracy and care when drawing. Expressive Arts and Design <ul style="list-style-type: none"> Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Share their creations, explaining the process they have used.
