

Whole School Spring Term Overview
Overarching Theme – Sustainability

Intent: We chose to utilise the overarching theme of 'Sustainability' to complement our curriculum offer. Sustainability is essential; we cannot maintain quality of life for ourselves and future generations without it. It is important that our children understand that sustainability is attainable, if we all exercise our individual liberty to make responsible choices. Our curriculum is designed to allow children to critically consider how their actions affect the world we live in while developing problem-solving skills, innovation, creativity and self-awareness. Children understand how their actions connect to a larger plan. As we educate the next generation in the importance of protecting and looking after the environment, we are working towards a better and brighter future for all.

Key question **What can you do to help protect our planet?**

	Spring 1	Spring 2
Nursery	What a wonderful world Maths: Number 1-3 building to 5, shape and position, measures (weight and height)	Grow and grow and grow Maths: Number 1-3 building to 5, shape and position, measures (weight and height)
Reception	What a wonderful world Key theme: Maps (links to world) Maths: Number 1-5, 6-8, mass and capacity	Grow, grow and grow Key theme: Growing (links to environment) Maths: Number building 9 and 10, explore 3D shapes
Across EY	English: Phonics using RWI, book-based approach, Dough Disco and Squiggle Science: Seasons, Weather and Health	
Y1-Y4	English: RWI and a book-based approach utilising a range of writing strategies and approaches	
Year 1	Maths: Number: Place value within 20, addition and subtraction within 20 Science: Season Change (Winter/Spring) Computing: Digital writing History: Great Fire of London 1666 Art: Painting and Mixed Media – Colour splash PE: Gymnastics and modified team games RE: Christianity theme (A) or Muslim theme (B) Music: Charanga – In the groove PSHCE/RSE: Cleanliness and orderliness, fair shares for others, recipes for a good friend	Maths: Number: Place value within 50, Measurement: Length and height, mass and volume Science: Plants Computing: Grouping data Geography: What is the weather like in the UK?
