

French at New Hartley First School

Intent Statement:

Here at New Hartley, our goal is to give Year 3 and Year 4 students a strong start in learning French. We want them to be curious, excited, and engaged as they explore a new language and culture. Our aim is to develop pupils' **confidence, enjoyment, and curiosity** in learning a foreign language. French is taught through a **speaking and listening-first approach**, enabling pupils to communicate simple ideas and personal information. Through fun and age-appropriate activities, we aim to help them build confidence in listening, speaking, reading, and writing in French, setting strong foundations for future language learning.
